

Student Health Academy 2024

If you think a career in health sounds interesting, don't miss this opportunity!

Be part of the Student Health Academy for Year 10 students

Ever thought of a career in health but unsure which one might be for you? Come find out about the wide range of health careers available to you.

The program involves:

- Hands-on activities for a real-world experience of the skills used daily by health professionals.
- Meeting local health professionals and university allied health students.

At the end of the program, you will have:

- A greater knowledge of the range of health careers.
- A clearer understanding of whether a career in health would suit you.

2024 Dates

Term 3:

- Friday 26 July and
- Friday 16 August
- You will be required to attend BOTH days.

Application Process

- Forms available through your school.
- Closing date is Friday 31 May.
- Suitable for anyone considering general, VET or ATAR pathways.
